Liability Information for Warranty Claims on Turbos and Repairs

All turbochargers and turbo repairs carry a 1 year 60,000-mile warranty from the date of purchase. This warranty does not cover damages resulting from improper installation, misuse, lack of maintenance, or any modifications. This warranty covers the rotating assembly only, all other accessories unrelated to the CHRA are not covered under this warranty. We are not responsible for any consequential damages, including engine failure, additional repairs, or labor incurred that may arise from the use of our turbochargers. Customers are encouraged to follow manufacturer specifications for installation and maintenance to ensure optimal performance and longevity.

I acknowledge that the warranty on rebuilt turbochargers provided by Busted Finger Motorsports LLC is limited to coverage mentioned above. I also understand that all warranty repairs must be conducted through Busted Finger Motorsports LLC.

If you have any questions, please don't hesitate to shoot me a text message or email.
